**STATEWIDE VOICE MESSAGING EQUIP. CONTRACT NUMBER T97-MST-001**

**THIS CONTRACT** is entered into by and between the **DEPARTMENT OF INFORMATION SERVICES, STATE OF WASHINGTON**, an agency of Washington State government (hereinafter "State" or "DIS"), and **U S WEST COMMUNICATIONS SERVICES, INC.**, a corporation licensed to conduct business in the state of Washington (hereinafter "Contractor") and collectively may also be referred to as the "Parties," to govern Contractor's providing to the State Statewide Voice Messaging Equipment.

**RECITALS:**

***WHEREAS** the State, acting by and through DIS issued a Request for Quotation/Qualifications ("RFQ/Q") dated February 29, 1996, (Exhibit A attached) for the purpose of obtaining competitive responses for Statewide Voice Messaging Equipment for use by governmental entities of the State; and*

***WHEREAS** U S WEST COMMUNICATIONS SERVICES, INC. submitted a timely response to the State (Exhibit B attached) dated March 25, 1996; and*

***WHEREAS** the State has evaluated the U S WEST Communications Services, Inc. response, as well as all other properly submitted responses, and has identified U S WEST Communications Services, Inc. as the apparently successful Vendor; and*

***WHEREAS** the State has determined that entering into a Contract with U S WEST Communications Services, Inc. will meet the needs of the State and will be in the State's best interest;*

**THEREFORE**, the State awards to U S WEST Communications Services, Inc., this competitively selected Contract to furnish the State, through DIS, Telecommunication Services Division, Statewide Voice Messaging Equipment described in Contractor's Response (Exhibit B, Appendix H) at the prices set forth therein, subject to and in accordance with the terms and conditions of this Contract.

IN CONSIDERATION of the mutual promises made to each other as hereinafter set forth, the Parties agree as follows:

1. **DEFINITIONS**

Definitions as used throughout this Contract shall have the meanings set forth below.

"Exhibit A" shall mean the Request for Quotation/Qualifications (RFQ/Q) for a Statewide Voice Messaging Equipment issued by the Washington State Department of Information Services dated February 29, 1996.

"Exhibit B" shall mean the Contractor's Response dated March 25, 1996, to the State's RFQ/Q.

"State/DIS Contracting Officer" shall mean the Director, Department of Information Services, or designated authority.

"State/DIS Contract Administrator" shall mean that person designated by the Department of Information Services to administer this Contract on behalf of the state of Washington.

"State/ Project Officer" shall mean that person designated by the Purchaser to coordinate the installation, implementation, acceptance and all ongoing day-to-day operations of the Equipment. This position will be the principal point of contact for the Contractor's Account Manager.

"Contractor" shall mean U S West Communications Services, Inc. It shall also include any subcontractor retained by Contractor as permitted under the terms of this Contract.

"Contractor's Account Manager" shall mean an employee of the Contractor who is assigned as the primary contact person whom the State Contract Administrator and the Purchaser's Project Manager shall work with for the duration of this Contract.

"DIS" shall mean The State of Washington's Department of Information Services working under the authority of RCW 43.105.

"Equipment" shall mean the Octel Overture Voice Mail Equipment or any other Equipment properly added to this Contract, as well as installation, support and maintenance, which are all set forth within Schedule A - Contractor's Price List.

"Material Breach" shall mean non-performance which significantly impairs an aggrieved party's rights under this Contract.

"RCW" shall mean the Revised Code of Washington (Washington State Law).

"Response" shall mean Contractor's Response to the State's RFQ/Q, dated March 25, 1996, (Exhibit B hereto).

"RFQ/Q" shall mean the Request for Quotation/Qualifications issued by the Washington State Department of Information Services dated February 29, 1996 (Exhibit A hereto).

"State" shall mean the state of Washington, acting through the Department of Information Services (DIS), or as otherwise identified.

"Purchaser" shall mean any authorized individual of any Washington State agency and any political subdivision or government organization in the State of Washington including employees of the Department of Information Services with authority to purchase such Equipment.

"Purchaser's Order Document" shall mean any official Purchase document and attachments thereto which specify Equipment and services to be purchased from the Contractor under this Agreement.

"State Working Days" shall mean the normal working days detailed in the State's Human Resource documents that allow certain holidays and week ends to be non-working days.

"Voice Mail System" shall refer to all Octel hardware and software, all single nodes, all cluster nodes, all subnodes of a cluster node, telephone company provided facilities (circuits), data links, and other related Equipment to perform the functions for providing Voice Messaging Service to the State's entire Subscriber base.

"U S WEST Communications Services, Inc. Regular Business Hours" (Business Hours) shall mean 8:00 a.m. to 4:30 p.m., Monday through Friday, Pacific Time, excluding U S WEST holidays.

## Term And Termination

### 2. TERM OF CONTRACT

#### A. INITIAL TERM

The initial term of this Contract shall ~~commence~~ commencing upon the date of its execution by both the Parties. The latest execution date of this Contract shall be the considered the commencement date and the anniversary date.

#### B. SUBSEQUENT TERMS

After the initial five (5) year period, DIS may extend this Contract ~~for~~ (2) additional years. Extension(s) shall be accomplished only with the written mutual consent of both Parties.

At least one hundred eighty (180) days prior to the expiration of the then current term, DIS will notify the Contractor in writing of its desire to extend the Contract. During the first forty-five (45) days of said written notification, DIS and the Contractor shall negotiate the terms of the Contract extension. If DIS and the Contractor have not reached agreement at the end of the forty-five (45) day negotiating period, DIS may, at its sole discretion, notify the Contractor in writing of its intent not to extend the Contract. No changes to the terms and conditions or increases to rates for goods and/or Service (Schedule A, Price List attached hereto, and included by reference herein) shall be permitted except prior to, but not during, the initial term of this Contract or prior to, but not during, subsequent Contract extensions unless mandated by a court or governmental entity with proper jurisdiction.

### **3. SURVIVORSHIP OF PROVISIONS**

All terms of this Contract will apply to items ordered prior to such termination date until acceptance of such items, regardless of the expiration of this Contract.

All purchase transactions executed pursuant to the authority of this Contract shall be bound by all of the terms, conditions, price discounts and rates set forth herein, notwithstanding the expiration of the initial term of this Contract or any extension thereof. Further, the terms, conditions and warranties contained in the Contract that by their sense and context are intended to survive performance by the parties shall so survive the completion of the performance, cancellation or termination of the Contract. In addition, the terms of the sections concerning Disputes, Limitation of Liability, Patent and Copyright Indemnification, and Protection of Purchaser's Confidential Information shall survive the termination of this Contract.

### **4. TERMINATION FOR CONFLICT OF INTEREST**

- A. The State may terminate this Contract by written notice to the Contractor if it is found after due notice and examination that there is a violation relative to this Contract by Contractor of:
  - 1. Ethics in Public Service, chapter 42.52 RCW; or
  - 2. Any other law regarding ethics in public acquisitions and procurement and performance of contracts.
- B. In the event this Contract is terminated as provided above, the State shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a Material Breach of this Contract by the Contractor. The rights and remedies of the State provided by this provision shall not be exclusive and are in addition to any other rights and remedies provided by law.

## **5. TERMINATION FOR DEFAULT**

If Contractor violates any material term or condition of this Contract or fails to fulfill in a timely and proper manner its obligations under this Contract or if Contractor violates any of the performance warranties made herein, then the State Contracting Officer may give Contractor written notice of such failure or violation which shall be corrected by Contractor within 30 days, or as specifically set forth elsewhere herein. If such failure or violation is not corrected, the State Contract Officer may, by written notice, terminate this contract, in whole or in part, for this Material Breach by the Contractor in the performance of any obligations or provisions hereof. In no event may the State terminate this Contract until the Contractor has received notice of such Material Breach as specified herein.

- A. If it is determined for any reason said failure to perform is without the Contractor's control, fault, or negligence, the termination shall be deemed to be a TERMINATION FOR CONVENIENCE.
- B. This provision shall not apply to any Contractor failure(s) to perform that result from the negligent acts or omissions of the State.
- C. Contractor may, by written notice, terminate this Contract, in whole or in part for failure of the State to perform any of the material obligations or material provisions hereof. If the State fails to fulfill in a timely and proper manner its performance obligations under this Contract, or if the State violates any of the performance warranties made herein, then the Contractor shall give the State Contracting Officer written notice of such failure or violation which shall be corrected by the State within thirty (30) working days. If such failure or violation is not corrected, this Contract may be terminated immediately by written notice from the Contractor to the State Contracting Officer. In no event may Contractor terminate this Contract until State has received notice of such Material Breach as specified herein.

## **6. TERMINATION PROCEDURE**

- A. Upon termination of this Contract, the State, in addition to any other rights provided in this Master Contract, shall require the Contractor to deliver to all Purchasers, all Equipment or service accepted prior to the effective date of termination by the State, for performance of such part of this Master Contract as has been terminated;

- B. Unless otherwise provided herein, the Purchaser shall pay to the Contractor the agreed upon price, if separately stated, for the Equipment or services accepted by the Purchaser and the amount agreed upon by the Contractor and the Purchaser for:
1. Completed services for which no separate price is stated,
  2. Partially completed services,
  3. Other Equipment or services which are accepted by the Purchaser.
- C. Under conditions of termination or cancellation by the State for default, the Purchaser may withhold thereafter, from any amounts due the Contractor for such Equipment and services, an amount determined to be necessary to protect the Purchaser against loss or liability and to cause a reasonable effort to mitigate damages sustained;
- D. The rights and remedies of the Purchaser provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Contract; and
- E. After receipt of a notice of termination, and except as otherwise directed by the State Contract Officer, the Contractor shall:
1. Stop work under this Master Contract on the date, and to the extent specified, in the notice;
  2. Place no further orders or subcontracts for Equipment or services except as may be necessary for completion of such portion of this Master Contract as is not terminated;
  3. Assign to the State, in the manner, at the times, and to the extent directed by the State Contract Officer, all the rights, titles, and interest of the Contractor under the orders and subcontracts for which the Purchaser has paid the Contractor and the Contractor has not paid the subcontractor, in which case the State has the right, at its discretion, to settle or pay any or all claims out of the termination of such orders and subcontracts;
  4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts with the approval or ratification of the Purchaser to the extent required which approval or ratification shall be final for the purpose of this clause;
  5. Transfer title to the Purchaser and deliver in the manner, at the time, and to the extent, if any, as directed by the Purchaser any property accepted by the Purchaser which, if the Master Contract had been completed, would have been required to be furnished to the Purchaser;

6. Complete performance of such part of this Master Contract as shall not have been terminated by the State (Purchaser);
7. Take such action as may be necessary, or as the State may direct, for the protection and preservation of the property related to this Master Contract which is in the possession of the Contractor and in which the State (Purchaser) has or may acquire an interest; and
8. Provide written certification to the State Contracting Officer and Purchaser that the Contractor has surrendered to the State all said property.

**7. TERMINATION FOR WITHDRAWAL OF AUTHORITY**

In the event that the authority of DIS to perform any of its duties is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, the State may terminate this Contract under the TERMINATION FOR CONVENIENCE provision of this Contract provided that if the State has the authority at the time of Withdrawal of Authority and another agency has the authority to accept assignment of this Contract, the State has made every reasonable effort to assign this Contract in accordance with ASSIGNMENT provision of this Contract.

**8. TERMINATION FOR NON-ALLOCATION OF FUNDS**

If funds are not allocated for this Contract for periodic payment in any future biennial fiscal period, the State will not be obligated to pay the net remainder of agreed-to consecutive periodic payments remaining unpaid beyond the end of the then-current biennium. The State agrees to notify the Contractor of such non-allocation at the earliest possible time. No penalty shall accrue to the State in the event this provision shall be exercised. This provision shall not be construed so as to permit the State to terminate this Contract in order to acquire similar Service from a third party.

**9. TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this Contract, the State Contracting Officer may, by *thirty* (30) days written notice, beginning on the fourth day after the mailing of such notice, terminate this Contract, in whole or in part. Invocation of the TERMINATION FOR WITHDRAWAL OF AUTHORITY, or NON-ALLOCATION OF FUNDS provision is deemed a termination for convenience.

If this Contract is so terminated, the State is liable only for payment for Equipment rendered prior to the effective date of termination.

## **Standard Content Provisions**

### **10. LIMITATION OF LIABILITY**

- A. THE PARTIES AGREE THAT NEITHER THE CONTRACTOR NOR THE STATE, NOR THE PURCHASER SHALL BE LIABLE TO EACH OTHER, REGARDLESS OF THE FORM OF ACTION, FOR ANY INCIDENTAL, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES. The Parties further agree that neither shall be liable to the other for any loss of use, loss of profits, or loss of business.
- B. Neither the Contractor nor the State shall be liable for damages arising from causes beyond the reasonable control and without the fault or negligence of either the Contractor, the State, or their respective subcontractors.
- C. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of any governmental body acting in either its sovereign or contractual capacity, war, explosions, earthquakes, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather.
- D. If delays are caused by the default of a subcontractor without its fault or negligence, the Contractor shall not be liable for damages for delays, unless the service to be furnished by its subcontractors were obtainable on comparable terms from other sources in sufficient time to permit the Contractor to meet its required performance schedule.
- E. Neither party shall be liable for personal injury or damage to property except personal injury or damage to property caused by each party's respective fault or negligence.

### **11. WAIVER**

Waiver of any breach of any term or condition of this Contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written instrument signed by the State Contracting Officer and the Contractor.

### **12. QUIET POSSESSION AND USAGE**

The Purchaser, upon paying the amounts due hereunder and performing all other covenants, terms, and conditions on its part to be performed hereunder, may and shall peacefully and quietly enjoy the Equipment or service without suit, molestation, or interruption.

**13. SAVE HARMLESS**

Contractor shall protect, indemnify and save the Purchaser harmless from and against any damage, cost, or liability for any or all injuries to persons or damage to property arising from acts or omissions of Contractor, its officers, employees, agents, or subcontractors.

The Purchaser shall protect, indemnify and save Contractor, its officers, employees, agents, or subcontractors harmless from and against any damage, cost, or liability for any or all injuries to persons or damage to property arising from acts or omissions of the Purchaser, its officers, employees, agents, or subcontractors.

**14. SEVERABILITY**

If any term or condition of this Contract or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Contract are declared severable.

**15. COMPLIANCE WITH CIVIL RIGHTS LAWS**

*Chapter*  
During the performance of this Contract, the Contractor shall comply with all federal and applicable state nondiscrimination laws, including but not limited to: Title VII of the Civil Rights Act, 42 U.S.C. 12101 et seq.; the Americans with Disabilities Act (ADA); and ~~the~~ 49.60 RCW, Washington Law Against Discrimination. In the event of the Contractor's non compliance or refusal to comply with any nondiscrimination law, regulation or policy, this Master Contract may be rescinded, canceled or terminated in whole or in part under the Termination for Default section(s), and the Contractor may be declared ineligible for further Contracts with the Purchaser. The Contractor shall be given a reasonable time in which to cure noncompliance. In addition to the cancellation of this Master Contract, Contractor may be subject to penalties under federal and state law.

**16. FAILURE TO PERFORM**

In the event Contractor has failed to perform any substantial obligation to be performed by the Contractor under this Contract and thirty (30) calendar days after written notice or other such notices as set forth herein of said failure to perform is provided to Contractor and said failure has not been cured, the State may withhold all monies due and payable to Contractor for the performance of such obligation, without penalty, until such failure to perform is cured or otherwise adjudicated.

**17. INDEPENDENT STATUS OF CONTRACTOR**

The Parties hereto, in the performance of this Contract, will be acting in their individual capacities and not as agents, employees, partners, joint ventures, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

**18. CONTRACTOR DESIGNATED AS AGENT**

The State may designate Contractor as an agent of the State on a case-by-case basis for certain telephone company related activities by a "Letter of Authorization," signed by the State Contract Officer.

Except as specifically provided in the "Letter of Authorization," Contractor shall not act as an agent for the State for any other purposes whatsoever.

**19. GOVERNING LAW**

This Contract and the parties' actions under this Contract shall comply with all applicable federal, state, and local laws, rules, regulations, court orders, and governmental or regulatory agency orders. This Contract shall be governed in all respects by the law and statutes of the State of Washington. The venue of any action hereunder shall be in the Superior Court for Thurston County, Washington.

**20. SUBCONTRACTORS**

Contractor means any firm, provider, organization, individual, or other entity performing service under this Contract. It shall include any subcontractor retained by the Contractor as permitted under the terms of this Contract. Subcontractor means one not in the employment of the Contractor who is performing all or part of the service under this Contract under a separate contract with the Contractor. The Contractor may, with prior written permission not unreasonably withheld or delayed from the State Contracting Officer, enter into subcontracts with third parties for its performance of any part of the Contractor's duties and obligations. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to the State for any breach in the performance of the Contractor's duties. The Contractor agrees that all subcontractors shall be agents of the Contractor, and the Contractor further agrees to hold the State harmless from omissions of the Contractor's subcontractors, their agents, or employees subject to the limitations set forth in the LIMITATION OF LIABILITY and SAVE HARMLESS provisions of this Contract. The State shall not be liable for any loss or damage resulting from personal injury, physical loss, harassment of employees, or violations of the PATENT AND COPYRIGHT INDEMNIFICATION provisions of this Contract occasioned by the acts or omissions of the Contractor's subcontractors, their agents, or employees. The PATENT AND COPYRIGHT INDEMNIFICATION provisions of this Contract shall apply to all subcontractors.

## **Contract Administration**

### **21. NOTICES**

Any notice or demand or other communications which under this Contract or applicable law shall or may be given by Contractor or State shall be in writing, properly addressed and either delivered in person, or by a recognized overnight courier service, or deposited with the United States Postal Service as first class certified mail, postage prepaid and return receipt requested, to the Parties at the following addresses:

to **Contractor** at:     U S WEST Communications Services, Inc.  
                                 Attention: Account Manager  
                                 512 12th Avenue, Room 400  
                                 Olympia, Washington 98504

to **State** at:             State of Washington  
                                 Department of Information Services  
                                 Attention: Contract Administrator  
                                 512 - 12th Avenue SE, MS 42445  
                                 Olympia, Washington 98504-2445

Any notices given hereunder shall be effective upon receipt or four (4) days after mailing. The notice addresses as provided herein may be changed by written notice given as provided above.

### **22. INCORPORATED DOCUMENTS AND ORDER OF PRECEDENCE**

- A. The headings used herein are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions.
- B. Each of the documents listed below is by this reference incorporated into this Contract as though fully set forth herein. If any provision of this Contract shall be deemed in conflict with any statute or rule of law, such provisions shall be deemed modified to conform to such statute or rule of law. In the event of any inconsistency in this Contract, the inconsistency shall be resolved in the following order of precedence:
  - 1. Applicable federal and state statutes and regulations;
  - 2. Provisions of this Contract T97-MST-001;
  - 3. Schedule A - Contractor's price list;
  - 4. Exhibit A - State of Washington Request for Quotation/Qualifications (RFQ/Q) for a Statewide Voice Messaging Service dated February 29, 1996;

5. Exhibit B - Contractor's Proposal to the State, dated March 25, 1996, including all written information provided with Contractor's proposal.

**23. ENTIRE CONTRACT**

This Contract is the complete and exclusive Contract between the Parties with respect to the subject matter hereof, except as provided in the section CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS, and supersedes all proposals and prior Contracts, oral or written, and all other related communications between the Parties.

**24. ATTORNEY'S' FEES AND COSTS**

If any litigation is brought to enforce, or arising out of this Contract or any term, clause, or provision hereof, the prevailing party shall be awarded its reasonable attorneys' fees together with expenses and costs incurred with such litigation including necessary fees, costs, and expenses for services rendered at both trial and appellate levels as well as subsequent to judgment in obtaining execution thereof.

**25. MODIFICATIONS, AMENDMENTS AND AUTHORITY**

No modification, amendment, alteration, addition or waiver of any provision or condition of this Contract shall be effective or binding unless it is in writing and signed by an authorized officer of the Contractor and the State. Only the State Contracting Officer or delegate by writing shall have the express, implied, or apparent authority to alter, amend, modify, add, or waive any provision or condition of this Contract on behalf of State.

**26. DISPUTES**

- A. Except as otherwise provided in this Contract, when a bona fide dispute concerning a question of fact arises between the Contractor and the State and it cannot be resolved between the Parties with the aid of the State Contract Administrator, either party may initiate the dispute resolution procedure provided herein. Likewise, when a dispute cannot be resolved between the Contractor and the State the following dispute resolution procedure shall be used.
- B. Disputes shall be resolved as quickly as possible. The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three (3) State Working Days.
1. Then, both Parties shall have three (3) State Working Days to negotiate in good faith to resolve the dispute. If the dispute cannot be resolved after three (3) State working days, a dispute resolution panel may be appointed.
  2. Each party will designate a panel member, and those two panel members will appoint a third individual to the panel.

3. The panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.
- C. Both Parties agree to exercise good faith in dispute resolution and to settle disputes prior to using the dispute resolution panel whenever possible unless irreparable harm will result. Neither party shall commence litigation against the other before the panel has issued its decision on the matter in dispute.
- D. The State and the Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract which are not affected by the dispute.

## **27. PUBLICITY**

The Contractor agrees to submit to the State Contract Administrator all advertising, sales promotion, and other publicity matters relating to this Contract wherein the State's name is mentioned or language used from which the connection of the State's name therewith may, in the State's judgment, be inferred or implied. The Contractor further agrees not to publish or use such advertising, sales promotion, or publicity matter without the prior written consent of the State.

## **28. CONTRACTOR RECORDS AND DOCUMENTS**

The Contractor and each subcontractor shall retain books, records, documents, electronic media and other evidence of accounting procedures and practices which sufficiently and properly reflect all billing and invoicing related to Contractor's performance of this Contract. These records shall be subject to inspection, review or audit by the State Contract Administrator, personnel duly authorized by the State, Office of Financial Management, Office of the Auditor, or authorized by law. Contractor shall make such records available during "Business Hours" upon reasonable advance notice from the State. The Contractor will retain these books, records, documents and other material relevant to this Contract for six (6) years and make them available for inspection by persons authorized under this provision.

## **29. ASSIGNMENT**

- A. With the prior written consent of the State Contracting Officer, which consent shall not be unreasonably withheld, the Contractor may assign this Contract including the proceeds hereof: PROVIDED, however, that such assignment shall not operate to relieve the Contractor of any of its duties and obligations hereunder, nor shall such assignment affect any remedies available to the State that may arise from any breach of the provisions of this Contract, its supplements, or warranties made herein including but not limited to, rights of setoff; and, PROVIDED FURTHER, that all risks and expenses incurred in connection with such assignment shall be borne by the Contractor.

- B. With the prior written consent of the Contractor, which consent shall not be unreasonably withheld, the State may assign this Contract to any State Agency or Political Subdivision within the political boundaries of the state of Washington: PROVIDED that such assignment shall not operate to relieve the State of any of its duties and obligations hereunder, including the obligation to pay charges owing when an assignment is made; and, PROVIDED FURTHER, that all risks and expenses incurred in connection with such assignment shall be borne by the State.

**30. PROTECTION OF PROPRIETARY/CONFIDENTIAL INFORMATION**

- A. Both Parties acknowledges that some of the material and information which may come into their possession or knowledge in connection with this Contract or its performance may consist of confidential data, the disclosure of which to, or use by, third parties will be damaging. Therefore, access to information concerning individual recipients services or individual clients shall not be granted except as authorized by law or agency rule. Both Parties agree to hold all such information in confidence, and not to make use thereof other than for the performance of this Contract, to release it only to authorized employees requiring such information, and not to release or disclose it to any other party. Contractor agrees to release such information or material only to employees or other parties who have signed a written contract expressly prohibiting disclosure.
- B. This provision does not impose any obligation on either party if the information is: (1) publicly known at the time of disclosure; (2) already known to the receiving party at the time; (3) furnished by the disclosing party to others without restrictions on its use or disclosure; (4) independently developed by the receiving party without use of the proprietary information.
- C. Any specific information that is contained in the Contractor's Response (Exhibit B) that is confidential or proprietary, and has been clearly identified by the Contractor. If a request is made to view Contractor's proprietary information, the State will comply with the Open Public Records Act, chapter 42.17 RCW, and the DIS applicable WAC 143-06.

**31. STATE MONITORING OF CONTRACTOR AND SUBCONTRACTOR EMPLOYEES**

The State reserves the right to request the removal of any employee of the Contractor or any subcontractor working under this Contract for just cause. The State shall provide written notice of such just cause for removal to the Contractor. The Contractor shall make every reasonable effort to resolve the issue to the satisfaction of the State within thirty (30) days of receipt of notice. If not resolved to the satisfaction of the State within thirty (30) days, the employee will be removed from the Contract by the Contractor.

**32. APPROVALS IN A TIMELY MANNER**

Whenever the approval for a subcontract, deliverable, schedule or document, is required by the State Contracting Officer, such approval shall be granted or denied in writing and in a timely fashion.

**33. OVERPAYMENTS TO CONTRACTOR**

Contractor shall promptly refund to the Purchaser the full amount of any erroneous payment or overpayment made to the Contractor upon notice of an erroneous payment or overpayment to which Contractor is not entitled as determined by Purchaser.

**34. CONTRACTOR ACCOUNT MANAGER**

The Contractor shall appoint an individual who will be the Account Manager for the State of Washington account. The Account Manager will be the principal point of contact for the State concerning the Contractor's performance herein. The Account Manager will also serve as the focal point for business matters, support coordination, administrative activities, application development and Subscriber training.

**35. INVOICE AND PAYMENT PROVISION**

35.1. The following minimum information must appear on all Contractor invoices:

- A. Name and address of Purchaser
- B. Purchaser's Order Document number
- C. Date of Purchaser's Order Document number was received by Contractor
- D. Order description
- E. Number of units ordered/shipped
- F. Date of delivery/installation
- G. Invoice price for each item
- H. Contractor provided installation charges. The Contractor shall furnish to the Purchaser a breakdown setting forth the schedule of values of labor and materials of the various parts of the work on which this Master Contract is based, generally as detailed from Order Document(s) specifications divisions or as further directed by the Purchaser.
- I. Applicable taxes listed separately
- J. Total invoice price

- K. Payment terms including any applicable prompt payment discounts
- L. Contractor's remittance address

Incorrect invoices will be returned by the Purchaser for correction and reissue.

This Master Contract and Purchaser's Order Document(s), or other applicable purchase document numbers must appear on all invoices, packing slips, packages, and correspondence relating to Purchaser's acquisition. All purchase transactions pursuant to this Master Contract shall be conducted directly between Purchaser and Contractor.

### **36. ADDITIONAL PRODUCTS AND SERVICES**

The State and Contractor agree that additional products and services which are appropriate to the scope of this Contract, may be added to this Contract (Schedules) by an instrument in writing, with the mutual consent of both parties. Such writing shall include a specific description of the additional products and services listing complete pricing and additional terms and conditions as relevant. The additional products and services shall be available under the same terms and conditions established herein, unless otherwise agreed to in writing.

## **Contractor's Responsibilities**

### **37. LICENSING STANDARDS**

The Contractor shall comply with all applicable local, state, and federal licensing requirements and standards necessary in the performance of this Master Contract (see Chapter 19.02 RCW).

### **38. EQUIPMENT CONDITION**

Contractor warrants that Equipment acquired subject to this Master Contract shall, in every case, be newly manufactured from all new parts, or manufacture warranted as new.

### **39. SUBPOENA**

In the event that a subpoena or other legal process in any way concerning Equipment provided pursuant to this Master Contract is served upon Contractor, Contractor agrees to notify the State Contract Manager in the most expeditious fashion possible following receipt of such subpoena or other legal process. Contractor further agrees to cooperate with the State, at the State's expense, in any lawful effort by the State to contest the legal validity of such subpoena or other legal process.

#### **40. INSTALLATION AND DELIVERY DATES**

- 40.1. Freight charges shall be F.O. B. Purchaser's destination which shall be mutually agreed upon and specified on Purchaser's Order Document(s). Standard delivery and installation of Equipment system(s) shall be within 45 calendar days after receipt of written order. Requests for extension must be reduced to writing and may be granted at the sole discretion of the Purchaser. Grant of extensions shall not be unreasonably withheld.
- 40.2. The Contractor shall install the Equipment, ready for use on or before the mutually agreed upon installation date(s) specified in the Purchaser's Order Document(s). The Equipment shall not be considered ready for use until the Contractor provides the Purchaser with documentation of a successful system audit utilizing Contractor's diagnostic routines, performed at the Purchaser's installation site, which demonstrates that the Equipment meets minimum designed capabilities and after reviewing such documentation the Purchaser agrees that the Equipment is ready to begin acceptance testing and so notifies Contractor in writing.
- 40.3. Contractor agrees to provide Purchaser with written specifications for the installation site within fifteen (15) days after the Equipment is ordered.
- 40.4. The Purchaser agrees to have the Equipment installation site prepared in accordance with Contractor's written specifications prior to the facility readiness date specified in Purchaser's Order Document(s). The Purchaser shall provide the Contractor access to the Equipment installation site on the installation date for the purpose of installing the Equipment.

#### **41. PURCHASER'S SITE AND INSTALLATION PLANNING**

When preparation guidelines have been furnished (in writing) by the Contractor, the Purchaser shall honor the guidelines and shall assure that sufficient areas and prep-work to permit the Equipment being installed to operate efficiently. This work will focus on environment and power needs of the Equipment. Contractor's specialists will be available (at no cost) to the Purchaser to provide required consultation relative to site planning. When the site is prepared, Contractor Field Engineering will inspect the facilities to assure compliance with published guidelines and approve each in writing.

#### **42. OBSOLESCENCE PROTECTION**

In the event that new Equipment products become available within six (6) months of the execution of this Master Contract, the Contractor will work with the Purchaser on an individual basis to exchange existing Equipment previously acquired under this Master Contract with said new products. The price Purchaser shall pay will be negotiated.

**43. STANDARD OF PERFORMANCE AND ACCEPTANCE**

- 43.1. This provision establishes a standard of performance which must be met before any of the Equipment is accepted by the Purchaser. It is also applicable to any replacement or substitute Equipment which is added or field modified after completion of a successful performance period.
- 43.2. The performance period shall begin when the Equipment is installed and ready for use and shall end when the Equipment has met the standard of performance (set forth within the Contractor's response) for a period of thirty (30) consecutive days by operating in conformance with the Contractor's technical specifications or as quoted in the Contractor's response to the RFQ/Q and at a effectiveness level as specified in published bulletins.
- 43.3. In the event the Equipment does not meet the standard of performance during the initial thirty (30) consecutive days, the standard of performance test shall continue on a day-to-day basis until the standard of performance is met for a total of thirty (30) consecutive days. If the Equipment fails to meet the standard of performance after ninety (90) calendar days, from commencement of acceptance testing (as per Contractor's response), the Purchaser may, at its option, either terminate the Equipment order without penalty, request replacement Equipment, or continue the performance test. The Contractor shall be liable for all inbound and outbound preparations and shipping costs for Equipment returned pursuant to this provision. The Purchaser's option to terminate the Equipment Order under this Master Contract shall remain in effect until such time as successful completion of the performance period is attained.
- 43.4. During a period of Equipment downtime, the Purchaser may use operable Equipment when such action does not interfere with maintenance of the inoperable Equipment.
- 43.5. Equipment shall not be accepted and no charges shall be paid until the standard of performance is met. The date of acceptance shall be the first day after the successful performance period.
- 43.6. In addition to the applicable Testing and Acceptance Procedures set forth with the RFQ/Q and the manufacturer's technical documents, the following procedures shall be followed by both the Contractor and the Purchaser:
- a) The Contractor's test plans will include procedures for testing all lines, trunks, and carrier facilities provided by telephone companies and other carriers.
  - b) When the systems and installation at any location have satisfactorily completed all factory and field tests, the Contractor shall request from the Purchaser, in writing, permission to place the system and installation into Acceptance Testing. The

Purchaser will review all such requests and, if reasonably satisfied, authorize the Contractor, in writing, to proceed.

- c) Within thirty (30) days after any system or installation is placed in the Acceptance Testing phase, the Purchaser shall notify the Contractor, in writing, of deficiencies which the Purchaser determines are in violation of plans, specifications, manufacturer's installation instructions, or other obligations of the Contractor under this Master Contract.
- d) Acceptance will run until thirty (30) consecutive days of operation with the performance criteria herein has been completed. During that time the Purchaser will identify, and the Contractor will expeditiously correct, deficiencies noted during Acceptance Testing. All service affecting deficiencies will be corrected, and remaining deficiencies will be noted in the acceptance document with the Contractor's estimated correction dates shown. This will constitute an agreement by the Contractor to correct these remaining discrepancies by the stated date. Failure to do so may result in the Purchaser seeking remedy as set forth elsewhere in within this Master Agreement.

#### **44. ESCALATION AND NOTIFICATION PROCEDURE**

Malfunctioning Equipment shall be repaired or a replacement spare installed by the Contractor's maintenance technician no later than 48 hours following identification of Equipment malfunction. Failure of the Contractor to comply with this requirement shall be a failure to perform (details of the response times are found in the RFQ/Q 7.10 and the Vendor's response Appendix H) .

Contractor shall not be in default if repairs are initiated within the specified time period and thereafter diligently proceeds to complete the repair. Contractor, however, shall exercise the highest level of escalation within the Contractor's escalation process to complete the repair. Failure to do so shall be deemed a failure to perform. A description of Contractor's "CLIENT ESCALATION AND NOTIFICATION PROCEDURE" is made part of this Agreement as Attachment 2.

#### **45. TIME**

Time is of the essence in this Master Contract. The Contractor shall at all times carry on the work diligently, without delay and punctually fulfill all requirements made in this Master Contract.

**46. INSURANCE**

The Contractor will (at their expense) obtain and keep in force sufficient insurance to meet the State's standards for Comprehensive Public Liability for property damage (\$1,000,000 Aggregate), automobile operation (\$1,000,000 bodily damage), property damage (\$500,000), and personal injury (\$1,000,000). The limits of all insurance required by the Contractor shall be no less than the minimum amounts established within State recommendations. However, coverage in the amounts listed therein shall not limit, nor be construed to relieve, the contractor from liability in excess of such limits and or amounts.

**47. PRICE PROTECTION**

The Contractor agrees that all the prices, terms, warranties, and benefits granted by the Contractor are comparable to or better than the equivalent terms being offered by the Contractor to any present customer meeting the same qualifications or requirements as the State, including, but not limited to, quantities, engineering, time frames, Equipment capacity and usage parameters. Except as otherwise herein provided, if the Contractor shall, during the term of this Master Contract, enter into an arrangement with an other said customer providing greater benefits or more favorable terms, the Contractor shall be obligated to provide the same to the State under this Master Contract.

**48. COORDINATION OF WORK**

The Contractor shall coordinate the work outlined on Purchaser's Order Document(s) with the work of all other Contractors, and shall coordinate their work with all adjacent work so as to facilitate the progress of the entire work or project. The Contractor shall be solely responsible for all means, methods, techniques, and procedures and for coordinating all portions of the work under this Master Contract.

**49. DOCUMENTATION AVAILABILITY**

Contractor will provide the Purchaser, at no charge, sufficient copies (minimum of one per system sold), of each of the manuals required to effectively operate the Equipment as described in the Contractor's proposal. Contractor represents that these manuals, as they may be updated from time to time, are the complete set(s) available for the Equipment installed under this Master Contract.

In addition to the above specified documentation, Contractor shall include any other manuals and program description which Contractor will consider helpful to Purchaser.

Contractor further agrees:

- A. Contractor agrees that all future documentation and revisions of existing documentation developed for the Equipment, which may be useful to the Purchaser, shall be furnished to the Purchaser. Where such future or revised

documentation is furnished without charge to any customer of Contractor it shall be furnished without charge to the Purchaser. Where not so available without charge, it shall be furnished to Purchaser, upon request, at the then published price.

- B. All documentation and printed material(s) provided by Contractor to the Purchaser may be reproduced by the Purchaser (unless copyright protected by the manufacturer), provided that such reproduction is made solely for the internal use of Purchaser, for use at the designated Equipment site and/or respective administrative location specified on the purchase order and also provided that any copyright notices are included on each page, if applicable.

## **50. INSTALLATION AND CORRECTION OF DEFECTS**

- A. The installation work shall be done in strict conformity with Purchaser's Order Document(s) and drawings and specifications and with such instructions as shall from time to time be given in writing by the State/Project Officer. If the instructions given are not clear to permit the Contractor to proceed with work, the Purchaser or its engineer will (either upon their motion or upon request from the Contractor) furnish additional instructions, together with such additional drawings or specifications as may be necessary. When such request is made by the Contractor, it must be made in ample time to permit the preparation of the instructions and specifications before the work covered by the request is undertaken. Such additional instructions and or specifications shall not be inconsistent with the Purchaser's original documents and specifications and shall have the same force and effect if contained in the Purchaser's original specifications, however, additional instructions and or specifications may extend the installation date by an equal number of days.
- B. The Contractor shall promptly remove from the premises all materials rejected by the Purchaser as failing to conform to this Master Contract or the Purchaser's Order Document(s), whether incorporated in the work or not, and the Contractor shall promptly replace and re-execute the work in accordance with this Master Contract or Purchaser's Order Document(s) without expense to the Purchaser and shall bear the expense of making good all work of the Contractors destroyed or damaged by such removal or replacement.
- C. The Purchaser reserves the right to enter the premises, to use same, and to have work done by other contractors, or to use parts of the work of this Contractor, before the final completion of the work, it being understood that such use by the Purchaser in no way relieves the Contractor from full responsibility for the entire work until final completion of the Master Contract. The Purchaser reserves the right to let other contracts in connection with this work.
- D. The Contractor shall confine all apparatus, storage of materials, and operation of their work to the limits indicated by law, ordinances, permits, or directions of the

Purchaser and shall not unreasonably encumber the premises with materials. The Contractor shall enforce the law, ordinances, permits, or instructions of the Purchaser regarding signs, advertisements, fires, smoking and vehicular parking. The Contractor shall not load or permit any part of any structure to be loaded with a weight that will endanger the safety of the structure or the safety of persons who may be in proximity of such structure.

## **51. CLEANING REQUIREMENTS**

At no additional cost to the Purchaser, the Contractor agrees (and shall be) responsible for replacing, restoring and/or bringing to original condition all floors, ceilings, walls, grounds, pavements, etc., damaged by their personnel. From time to time, as may be ordered by the Purchaser and immediately after completion of the Equipment work, the Contractor shall, at their own expense, clean up and remove all refuse and unused material(s) resulting from work. Upon Contractor's failure to do so within forty-eight (48) hours after having been notified in writing by the Purchaser, the work may be done by others and the cost(s) thereof charged to the Contractor and deducted from their final payment.

## **52. TRAINING AND DOCUMENTATION**

Training is considered a critical portion of the Contractor's support, and since the State considers training crucial to the success of all Equipment, specific training requirements are outlined within the RFQ/Q and the Contractor's response.

- A. Contractor agrees to make available, for a minimum period of six (6) years following the date Contractor provides written notification to Purchaser that the Equipment is out of production, but in no case less than ten years from the date of the Master Contract, all materials used by Contractor in any and all training courses taught by Contractor connected with the use, operation, or programming of such Equipment. Such training materials shall include, but not limited to, student materials such as syllabi, agendas, tests, and teaching materials such as instructor's manuals, user manuals, audio visual aids, test results, and other material deemed useful.
- B. Purchaser shall have the right, so long as the Equipment contracted for hereunder is in use by Purchaser, to give instruction to Purchaser personnel in all system use and operator courses described in the proposal and its attachments and appendices without charge, using materials supplied by Contractor. Such use by Purchaser of Contractor materials shall include the right to reproduce the same solely for the permitted use, which use and reproduction shall not be deemed to violate or infringe upon any patent, copyright, or other proprietary right of Contractor. The right to reproduce includes the right to videotape or film training sessions conducted by the Contractor.

- C. Contractor agrees that the courses described in the Contractor's response to the RFQ/Q, Master Contract attachments, and appendices will remain available to Purchaser as long as the Equipment and software delivered hereunder remains under this Contract. Charges for such courses (to the extent not agreed by the Contractor to be furnished at no cost) will be made at Contractor's then prevailing rates.

**53. RIGHTS AS ORIGINAL PURCHASER**

The Contractor hereby acknowledges and agrees that the Purchaser of the herein-stated new Equipment has the right, upon resale of said Equipment by the Purchaser to a subsequent third party, to transfer and assign all of the rights, title, and interest in said Equipment provided by this Master Contract.

**54. ADDITIONAL SERVICES**

At the Purchaser's sole option, Contractor shall offer additional services which shall include, but not limited to; purchase of additional Equipment, programming, wiring and relocation of existing Equipment. The maximum response time to such requests shall be no more than one week. Additional services shall be billed to the Purchaser on a time and materials basis at the prices quoted in the Contractor's response (attached hereto) and listed in Schedule A to this Master Contract.

**55. MARKETING**

Contractor shall promote, market, champion and demonstrate the Equipment to potential new Subscriber organizations and to existing Subscriber organizations. The Contractor shall be responsible for all costs and marketing aspects of the Equipment.

Prior to release, the State Contract Administrator shall approve the initial and subsequent marketing promotions.

**56. IDENTIFICATION**

All invoices, packing lists, packages, shipping notices, and other written documents affecting this Master Contract shall contain this Master Contract number and the Purchaser's Order Document number. Packing list shall be enclosed in each and every box or package shipped pursuant to this Master Contract, indicating the content thereof. Invoices will not be processed for payment until all items invoiced are received.

**57. LIQUIDATED DAMAGES**

**A. LIQUIDATED DAMAGES - GENERAL**

1. Any delay by the Contractor to perform will interfere with the proper implementation of the Purchaser's programs to the loss and damage of the

Purchaser and the citizens of the state of Washington. Similarly, delay by the Purchaser in readying the facility (or permitting installation) will interfere with the schedule under which the Contractor is operating, thus resulting in damage to the Contractor

2. As it would be impracticable to fix the actual damage sustained in the event of any such failure(s) to perform, the Purchaser (State) and the Contractor, therefore, agree that in the event of any such failure(s) to perform, the amount of damage which will be sustained will be the amount set forth in the following paragraphs and the Parties agree that the Contractor and the Purchaser shall pay such amounts as liquidated damages and not as a penalty.
3. Any amounts due the Purchaser as liquidated damages may be deducted by that Purchaser from any money payable to the Contractor pursuant to this Master Contract or the Purchaser may bill the Contractor as a separate item. The Purchaser shall notify the Contractor in writing of any claim for liquidated damages pursuant to this provision prior to the date the Purchaser deducts such sums from money payable to the Contractor.
4. Liquidated damages provided for under the terms of this Contract are subject to the same limitations as provided for in the provision entitled "LIMITATION OF LIABILITY."

**B. LIQUIDATED DAMAGES - INSTALLATION OF EQUIPMENT**

1. If the Contractor does not install the Equipment described in this Master Contract and Purchaser's Order Document(s) and special features and accessories described in this Master Contract with the Equipment, ready for use on or before the mutually agreed upon installation date set forth in the Purchaser's Order Document(s), the Contractor shall pay to the Purchaser as fixed and agreed liquidated damages in lieu of all other damages due to such non-installation, for each day past the agreed upon installation date such Equipment is installed and ready for use, but not more than fifteen (15) calendar days, an amount of \$100 per day. In no event shall the damages exceed the purchase price of Equipment and amounts set forth in this provision (57.B.1) shall be considered the sole remedy of the Purchaser.
2. If the delay is more than thirty (30) calendar days, then by written notice to the Contractor, the Purchaser may terminate the right of the Contractor to install and may obtain substitute Equipment. In this event, the Contractor shall be liable for liquidated damages, in the amounts specified above, until substitute Equipment is installed, ready for use, or fifteen (15) calendar days from the installation date, whichever occurs first. The Contractor shall be liable for inbound and outbound preparation and shipping costs for Equipment returned pursuant to this clause.

## **58. TAXES**

Each Purchaser shall pay sales and use taxes imposed on goods or services acquired hereunder. The Contractor must pay all other taxes including, but not limited to, Washington Business and Occupation Tax, taxes based on the Contractor's income, or personal property taxes levied or assessed on the Contractor's personal property to which the State or Purchaser does not hold title.

## **59. TREATMENT OF ASSETS**

- 59.1. Title or license to all Equipment, property, or software furnished and or delivered by the Contractor (when the software is the Contractor's proprietary, copyrighted software only the applicable license to use, not title) is passed to and vested in the Purchaser.
- 59.2. Any property of the Purchaser furnished to the Contractor, unless otherwise provided herein or approved by the Purchaser, shall be used only for the performance of this Master Contract.
- 59.3. The Contractor agrees to bear all risks of loss, damage, or destruction of the Equipment ordered hereunder which occurs prior to delivery; and such loss, damage, or destruction shall not release Contractor from any obligation hereunder. After delivery, the risk of loss or damage shall be borne by the Purchaser, except loss or damage attributable to the Contractor's fault or negligence.
- 59.4. Upon loss, or destruction of, or damage to any Purchaser property, the Contractor shall notify the Purchaser thereof and shall take all reasonable steps to protect that property from further damage.
- 59.5. The Contractor shall surrender to the Purchaser all property of the Purchaser prior to settlement upon completion, termination, or annulment of this Master Contract.
- 59.6. All references to the Contractor under this provision shall also include Contractor's employees, agents, or subcontractors.

## **Contractor's Responsibilities - General**

### **60. PATENT AND COPYRIGHT INDEMNIFICATION**

- A. Contractor will at its expense defend the State against a claim that arises from Equipment or services supplied hereunder infringes a U. S. or foreign patent or copyright, or that the operation of any product or software supplied by the Contractor infringes a U. S. or foreign patent or copyright. Contractor will pay resulting costs, and attorneys' fees finally awarded provided that:
1. The State promptly notifies Contractor in writing of the claim; and
  2. Contractor has sole control of the defense and all related settlement negotiations.
- B. If such claim has occurred, or in Contractor's opinion is likely to occur, the State agrees to permit the Contractor, at its option and expense, either to procure for the State the right to continue using the Equipment or to replace or modify the same so that they become non-infringing and functionally equivalent. however, this Provision is not limited by Provision 10 or any other Provision herein

### **61. ANTI-TRUST VIOLATIONS**

Contractor and State recognize that in actual economic practice overcharges resulting from antitrust violations are in fact usually borne by the State. Therefore, the Contractor hereby assigns to the State any and all claims for such overcharges as to goods and Service purchased in connection with this Contract, except as to overcharges not passed on to the State resulting from antitrust violations commencing after the date of the bid, quotation, or other event establishing the price under this Contract.

### **62. SECURITY**

Contractor, its agents, employees, or subcontractors shall conform in all respects with reasonable physical, fire, or other published security regulations and policies while on State premises.

### **63. INDUSTRIAL INSURANCE COVERAGE**

- A. The Contractor shall provide or purchase industrial insurance coverage prior to performing work under this Contract. The State will not be responsible for payment of industrial insurance premiums or for any other claim or benefit for the Contractor, or any subcontractor or employee of the Contractor, which might arise under the industrial insurance laws during the performance of duties and Service under this Contract.

- B. The Contractor shall be primarily and directly responsible for the payment of all Washington State Industrial Insurance Fund employer's premiums for all the Contractor's employees engaged in work under this Contract where the work or employees are subject to the provisions of Title 51 RCW. The Contractor shall make sure all applicable contributions or premiums for Contractor employees are collected and paid as required by said statute.

**64. NONDISCRIMINATION AND AFFIRMATIVE ACTION**

The Contractor agrees not to discriminate against and to take affirmative action to ensure equality of treatment for any client, employee, or applicant for employment or services because of age, race, color, religion, sex, ancestry, national origin, marital status, Vietnam era or disabled veteran status, or the presence of any mental, physical, or sensory handicap with regard to, but not limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships and volunteers. A Contractor in violation of this provision or any applicable affirmative action program may become subject to other penalties as elsewhere provided under Washington State Law.

**65. UCC APPLICABILITY**

Except to the extent the provisions of this Master Contract are clearly inconsistent, this Master Contract shall be governed by any applicable provisions of the Uniform Commercial Code, hereinafter referred to as the UCC, as set forth in Title 62A RCW.

- A. To the extent this Master Contract entails delivery or performance of services, such services shall be deemed "goods" within the meaning of the UCC, except when to so deem such services as "goods" would result in an absurdity.
- B. Notwithstanding the HEADINGS AND ORDER OR PRECEDENCE of this Master Contract, in the event of any clear inconsistency or contradiction between this Master Contract and the UCC, the terms and conditions of this Master Contract take precedence and shall prevail unless otherwise provided by law.

**66. CONTRACTOR COMMITMENTS, WARRANTIES, AND REPRESENTATIONS**

- A. Any written commitment by the Contractor within the scope of this Contract shall be binding upon the Contractor. Failure of the Contractor to fulfill such a commitment may constitute breach and shall render the Contractor liable for damages due the State under the terms of this Contract.

- B. For purposes of this Contract, a commitment by the Contractor, which shall be in writing, includes:
1. Prices and options committed to remain in force over a specified period(s) of time;
  2. Any warranty or representation made by the Contractor in its Response (Exhibit B) as to Service performance;
  3. Any warranty or representation made by the Contractor concerning the characteristics or items in (2) above, contained in any literature or descriptions accompanying or referred to in its Response (Exhibit B) or made available to the State and used to effect the sale of such Service to the State;
  4. Any modification of or affirmation or representation as to the above which is made by Contractor in writing, whether or not incorporated into a formal amendment to the Response (Exhibit B); and,
  5. Any representation by the Contractor in its Response (Exhibit B); or supporting documents as to training to be provided, Service to be performed, prices and options committed to remain in force over a fixed period of time, or any other similar matter regardless of the fact that the duration of such commitment may exceed the duration of this Contract.

**67. OSHA/WISHA**

Contractor represents and warrants that its products are designed and manufactured to meet federal and Washington State safety and health regulations that are in effect at the time of installation of the Equipment. Contractor further agrees to indemnify and hold harmless State and Subscriber organizations from all damages assessed against State as a result of the failure of the items furnished under this Contract to so comply.

**68. WARRANTIES**

- A. The Contractor warrants that the Equipment, when installed, shall conform to the official requirements set forth in RFQ/Q (Exhibit A) and to Contractor's official published specifications and all representations contained in the Contractor's Response (Exhibit B) for the term of this Contract, including any extensions. Contractor also warrants that any and all Equipment added to this Contract shall conform to Contractor's official published specifications therefor.
- B. The Contractor shall adjust or correct or take other such actions as necessary, as promptly as is possible, to correct the defect or problem. Contractor shall assume the costs for any replacement parts or units required to correct problems and restore the Service. The State and Contractor agree that Contractor will not be liable for any damages caused by the State's actions or failure to fulfill any of its responsibilities set forth herein.

- C. STATE UNDERSTANDS AND AGREES THAT EXCEPT FOR THE FORGOING, NO OTHER WARRANTIES, WRITTEN OR ORAL, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY. CONTRACTOR'S OBLIGATION UNDER THE WARRANTY, IF ANY, AND THE STATE'S SOLE REMEDY, IS CONTINGENT UPON THE CONTRACTOR RECEIVING WRITTEN NOTICE FROM THE STATE OF ANY DEFECT WITHIN THE WARRANTY PERIOD.

**69. PRICING**

- A. The Contractor agrees to provide the Equipment at the costs, rates, and fees set forth in its Response (Exhibit B) and restated in Schedule A to this Contract. No other costs, rates, or fees shall be payable to the Contractor for the provision of Contractor's Service as set forth herein.
- B. Such costs, rates, and fees may not be increased during the initial term of this Contract. Costs, rates, and fees may be negotiated prior to, but not during extensions to this Contract.
- C. Thereafter, Service rate increases may be proposed by the Contractor by written notice to the State Contract Administrator. Price adjustments will be taken into consideration by the State when determining whether to extend this Contract.

**70. TITLE**

Upon successful completion of Acceptance Testing and receipt of the Purchaser's letter of Acceptance, the Contractor shall convey to the Purchaser good title to the Equipment, free and clear of all liens, pledges, mortgages, encumbrances, or other security interests.

**71. NON-EXCLUSIVITY AND CONTRACTOR COOPERATION**

- A. The State may award contracts to other vendors or otherwise obtain similar or identical Equipment covered by this Contract. The State may also award contracts to other vendors for additional Equipment and/or for a continuation of service related to the objectives of this Contract in the event of termination or expiration of term of this Contract. Contractor shall cooperate with such other vendors or State's employees as requested and shall not knowingly commit or permit acts which will adversely affect or interfere with such contracts, work or service.

- B. The State will not knowingly commit or permit acts which will result in State employees' or other vendors' contracts, work, or services interfering with the Contractor's timely performance of obligations under this Contract.

**72. LIMITATION OF AUTHORITY**

Only the State Contracting Officer shall have the expressed, implied authority to alter, amend, modify, or waive any clause or condition of this Master Contract on behalf of the State. Furthermore, any alteration, amendment, modification, or waiver of any clause or conditions of this Master Contract on behalf of the State is not effective or binding until made in writing and signed by both parties.

**ACTIVITY REPORTING AND ADMINISTRATION USE FEE**

**73. ADVANCE PAYMENT PROHIBITED**

No advance payment shall be made for Equipment furnished by Contractor pursuant to this Contract. Except as otherwise provided herein, such payments shall be due and payable within thirty (30) days after receipt of such Equipment or thirty (30) days after receipt of properly prepared invoices, whichever is later.

**74. DIS MASTER CONTRACT ADMINISTRATION USE FEE AND COLLECTION**

- 74.1. All purchases under this Master Contract are subject to a DIS Master Contract Administration Use Fee which is collected by the Contractor and remitted to DIS. The initial Master Contract Administration Use Fee is one-half of one percent (.5%), but is subject to change.
- 74.2. This fee shall be invoiced by the Contractor to all Purchasers, as a separate detailed line item on the Purchaser's invoice. Purchases are defined as total invoice price less sales tax.
- 74.3. Contractor shall remit the Master Contract Administration Use Fee together with the Master Contract Activity Report directly to the DIS Contract Administrator in accordance with the instructions contained in the **Master Contract Activity Reporting** provision of this Master Contract.

**75. FAILURE TO REMIT REPORTS/FEEES**

- 75.1. Failure of Contractor to remit the Master Contract Activity Report together with the Master Contract Administration Use Fee may be considered a failure to perform on the part of the Contractor, which may result in DIS terminating this Master Contract with the Contractor
- 75.2. Failure of any Purchaser to pay the Master Contract Administration Use Fee may result in a Purchaser forfeiting its rights to purchase from this Master Contract. Contractor shall notify the DIS Contract Administrator when any Purchaser fails to pay the Master Contract Administration Use Fee.
- 75.3. The DIS Contract Administrator will notify the Contractor of any Purchaser who has forfeited its rights to purchase under this Master Contract. After such notification, any sale by Contractor to forfeiting Purchaser (under the terms of this Contract) may be considered failure to perform by the Contractor.

**76. MASTER CONTRACT ACTIVITY REPORTING**

- 76.1. The Contractor shall submit to the DIS Contract Administrator a monthly Activity Report of all purchases made pursuant to this Master Contract. The report must identify:
  - a) this Master Contract number T97-MST-001
  - b) the Purchaser contact;
  - c) the DIS four digit alphanumeric code of the Purchaser;
  - d) the Purchase Order or Field Order of the Purchaser;
  - e) the date the Purchase Order or Field Order was received by the Contractor;
  - f) the total invoice price, excluding sales tax;
  - g) and the DIS Master Contract Administration Use Fee.
- 76.2. This report and the DIS Master Contract Administration Use Fee must be submitted by the 15th Calendar day of the month following the month in which the service occurred. This report shall be submitted in Excel spreadsheet machine readable form. The Contractor shall submit this report according to the layout specified by the DIS Contract Administrator.
- 76.3. This report may be corrected or modified by the DIS Contract Administrator with subsequent written notice to the Contractor.
- 76.4. Monthly reports are required even if no service or sales occurred.

**77. REVIEW OF CONTRACT PERFORMANCE**

The State Contract Administrator, or designated representative, shall have the right, at the State's expense, to examine books, records, documents, and other data of the Contractor as may be reasonably necessary to verify the Contractor's performance of this Contract. Contractor shall make such records available during normal Business Hours upon reasonable advance notice from the State.

**Contract Execution**

**78. AUTHORITY TO BIND**

The signatories to this Contract represent that they have the authority to bind their respective organizations to this Contract and that they are acting in their corporate capacity and not their individual capacity.

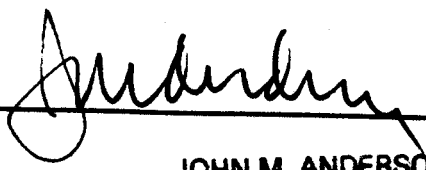

**79. COUNTERPARTS**

This Contract may be executed in duplicate originals and each duplicate shall be deemed an original copy of the Contract signed by each party, for all purposes.

*In Witness Whereof*, the Parties hereto, having read this Contract in its entirety, including all attachments hereto, do agree thereto in each and every particular. In witness thereof, the Parties have set their hands hereunto.

AMENDMENT NUMBER 99-02  
to  
Master Contract Number T97-MST-001  
with US West Communications Services, Inc.  
for  
Voice Messaging Equipment

This Amendment is entered into by and between the Department of Information Services ("DIS") and US West Communications Services, Inc. ("Contractor") pursuant to Paragraph 25 (*Modifications, Amend-ments and Authority*) of Master Contract T97-MST-001.

1. A new provision 73 (Year 2000 Compliance Warranty) is added to Master Contract T97-MST-001, pertaining to Year 2000 Compliance Warranty, as follows:

Contractor warrants that each Octel System will continue to handle date and time recognitions, processing and calculations after December 31, 1999, with no material adverse effect due to the change in the calendar year, provided that the System software is at or above the following applicable release level:

<u>System</u>	<u>Software Release</u>
Overture 250/350	Aria 1.1
*Aspen Family	Release 4.1.0
Octel 100	Release 3.1

\*The XC 1000 Product at Release 5.0 is excluded from this warranty.

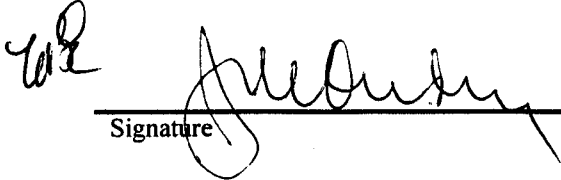

Should any Octel System fail to conform to the foregoing warranty, Contractor shall cure the nonconformity in the most expeditious manner possible at no charge to the customer, including, but not limited to, through a mandatory Software Update or a Hardware/Software Modification. If Contractor cannot achieve conformance for an Octel System within a reasonable period, DIS shall be entitled to return it to the manufacturer for a refund of its depreciated value, which will be calculated as a straight line depreciation over a five (5) year period.

2. All subsequent provisions of Master Contract T97-MST-001 are hereby renumbered.
3. All other provisions of Master Contract T97-MST-001, as previously amended, remain in full force and effect.

4. This Amendment 99-02 shall be effective as of the date signed by DIS.

#### Notes:

- U S WEST Communications Services, Inc. recommends that the number of students per training class is limited to no more than fifteen (15) attendees. This provides an environment which maximizes the students' opportunity for hands-on instruction and enhances the degree of end-user knowledge. Classes are typically one (1) hour in duration.
- U S WEST Communications Services, Inc. supports System Design Specialist on-site post-cut coverage for a period of time specific to the system size, number of users and individual customer needs. Actual time required is negotiated with each customer and is chargeable at \$56 per hour.
- Optional System Manager training at an Octel training center is \$2000. This price is tuition only; the customer is responsible for all travel, lodging, per diem and all other incidental expenses.

**Notes:**

1. The above information references new system installations. For post-installation implementation and for pre-Aria systems, post-install labor and training charges would apply.
2. Price provided is based on an estimate for an average level of implementation per each call processing application.
3. The installation and software testing for networking is included as part of the Octel-Run Implementation packages. To implement each site, an estimate of four (4) hours at the applicable installation labor rate should be considered.

**AMENDMENT NUMBER 04-08**

**Voice Messaging Equipment**

In accordance with Section 25 (Modifications, Amendments and Authority) of Contract Number T97-MST-001 for Voice Messaging Equipment (the "Contract"), this Amendment 04-08 (the "Amendment") is entered into by and between the State of Washington, Department of Information Services ("State") and Qwest Enterprise America, Inc., ("Contractor").

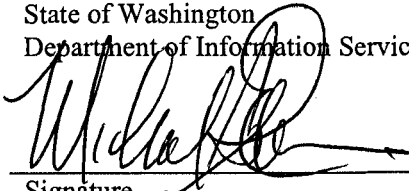

1. State and Contractor agree to delete Schedule A (*Contractor's Price List*) in its entirety and replace it in its entirety with the Schedule A attached hereto.
2. State and Contractor agree to delete the first paragraph of Section 2(B) and replace it in its entirety as follows:

After the initial five (5) year period, DIS may extend this Contract for additional One (1) year terms. Extension(s) shall be accomplished only with the mutual written consent of both Parties.

3. State and Contractor agree, pursuant to Section 2(B), as amendment herein, to extend the contract for One (1) year, specifically through August 29, 2004
4. This Amendment shall be effective as of August 28, 2003, regardless of the date executed.
5. All other provisions, terms and conditions of the Contract, as previously amended, shall remain in full force and effect.

Amendment Number 05-09  
Master Contract Number T97-MST-001  
for  
Voice Messaging Equipment

---

In accordance with Section 25 (Modifications, Amendments and Authority) of Contract Number T97-MST-001 for Voice Messaging Equipment (the "Contract"), this Amendment 05-09 (the "Amendment") is entered into by and between the State of Washington, Department of Information Services ("State") and Qwest Interprise America, Inc., ("Contractor").

1. State and Contractor agree, pursuant to Section 2(B) as previously amended, to extend the contract for one (1) year, specifically through August 29, 2005.
2. State and Contractor agree to delete and replace in its entirety Section 55, Marketing, as follows:

Contractor shall promote, market, champion and demonstrate the Equipment to potential new Subscriber organizations and to existing Subscriber organizations. The Contractor shall be responsible for all costs and marketing aspects of the Equipment.

Prior to release, the State Contract Administrator shall approve the initial and subsequent marketing promotions.

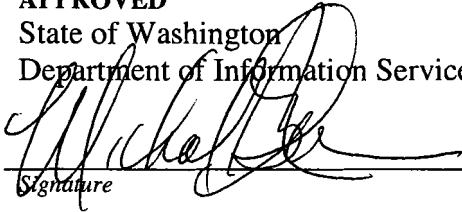

Prior to accepting any orders for equipment, Contractor will advise purchasers that equipment is subject to an end of life announcement by manufacturer. Contractor will advise that this announcement can be found on the State website at [techmall.dis.wa.gov](http://techmall.dis.wa.gov). In no event shall Contractor be responsible for the actual posting or maintenance of such announcement.

3. This Amendment shall be effective as of August 28, 2004, regardless of the date executed.

All other provisions, terms and conditions of the Contract, as previously amended, shall remain in full force and effect.
